

Product Profile

DKC46-60

2900 CHU

YieldGard VT Triple®

Key Strengths

- ♦ Excellent root and stalk strength
- ♦ Very good staygreen and harvest appearance in the fall
- ♦ Small plant type for reduced residue after harvest

Plant Description

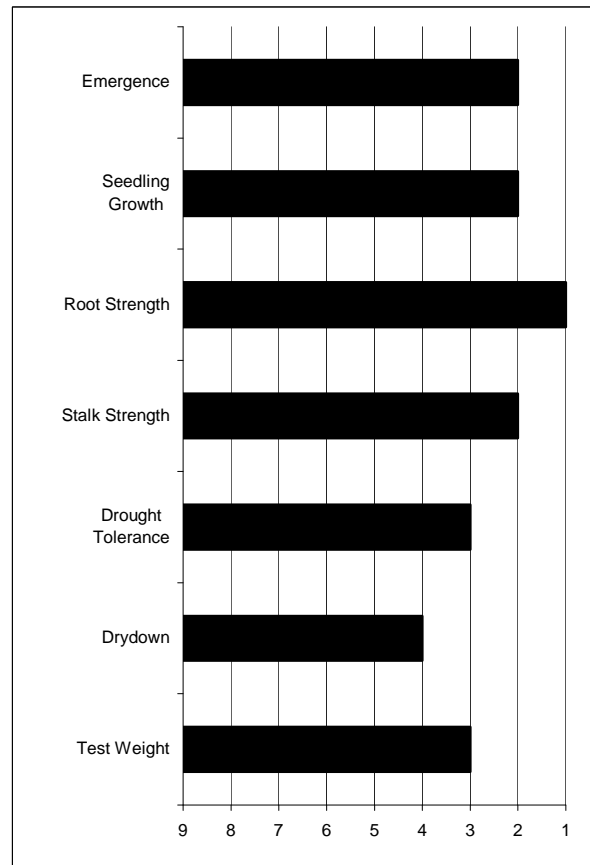

Plant Height	Medium
Ear Placement	Medium
Leaf Colour	Dark Green
Silk Colour	Yellow
Anther Colour	Pink
Flowering Date	Average for Maturity
Kernel Colour	Deep Yellow
Rows/Cob	14-16
Cob Colour	Pink

Management Tips

- ♦ Excellent choice for early planting and conservation tillage systems
- ♦ Plant at medium to high populations to maximize yield
- ♦ Adapted to all crop rotations including corn on corn
- ♦ Root and stalk quality allows for flexible harvest scheduling

Notes

Product Characteristics*

*Based on Monsanto-conducted trials. Relative to other DEKALB hybrids.

Rating scale: 1-2 = Excellent, 3-4 = Very Good
5-6 = Good, 7-8 = Fail, 9 = Poor

Legend

Rating Scale

1-2 = Excellent
 3-4 = Very Good
 5-6 = Good
 7-8 = Fair
 9 = Poor
 The ratings are approximate and should not be considered as absolute.

Codes:

L = Low
 S = Short
 M-L = Medium-Low
 M-S = Medium-Short
 M = Medium
 M-T = Medium-Tall
 M-H = Medium-High
 T = Tall
 H = High
 N/A = Not Available

*Value Added Trait:

RR = Roundup Ready® Corn 2
 YGCB = YieldGard® Corn Borer
 YGRW = YieldGard Rootworm
 YGPL = YieldGard Plus
 VT3 = YieldGard VT Triple

The agronomic ratings stated in the product characteristics charts were developed from Monsanto's internally conducted trials, which utilize commonly accepted methodology. These ratings can be used for comparative purposes between our established hybrids and new releases. They may not reflect total comparative performance. Actual performance may vary based on a number of factors including, without limitation, the prevalence of disease causing organisms or insect pest and environmental and agronomic conditions

Before opening a bag of seed, be sure to read and understand the stewardship requirements, **including applicable refuge requirements for insect resistance management**, for the biotechnology traits expressed in the seed as set forth in the Monsanto Technology Agreement that you sign. By opening and using a bag of seed, you are reaffirming your obligation to comply with those stewardship requirements.
